My Aunt Gerry was a very special women. Tammy, Ricky and I use to spend two weeks out of the summer with her. She would takes a camping at the strip pits in Oswego. And then we would go to the fair on Columbus. She always had a garden when I was younger. And she would make homemade pickles and jellies. We would go blackberry picking. Spending fourth of July with her was the best holiday for me. We would get her the biggest roll of firecrackers. And she would go ooh, ooh, and laugh so hard. She couldn't light them. But when she did she would run screaming and laughing as they popped. I love you Aunt Gerry. We are all blessed to have had you in our lives. Love Always Ginger

Easter was one of my favorite memorys she would get out the video camra and follow me and ginger and lil rick around when we would pick up eggs, she was always happy 2 have us kids there, she would make sure we all got some eggs. she would make sure you knew she loved you and she would make sure u never left her house hungry, she was a very good cook too. so if you left her house hungry it was your own fault. I love u aunt Gerry thank you for keeping an eye on me and being there for me love always your pooh bear.
