Todd, we are so very sorry to read in the Topeka paper of your mother's passing. It's been many years since our paths have crossed. It was in the mid 80's when you and Perry were classmates in high school and beyond. I always enjoyed seeing and visiting with your mom. A warm, fun and caring lady, who did a wonderful job in raising you and Ann. May your loving memories help your broken hearts mend. Our hearts and prayers are with you and your family at this sad time. Bill & Sharon Keegan

Todd, very sad to hear about your mother's passing. Your mother and father would invite me to spend the weekend from time to time when I was a teenager. I always enjoyed her company. She was so easy to talk to. We had some great conversations. I'll always remember those days fondly. Thoughts and prayers are with you, Michael Kennedy.
