Ok for some reason this is my third time trying to post something.... Kanah Martin haha very funny 😊.... But on a serious note Kanah you will be missed by Madison Jaxon and I so much... My heart hurts knowing you are gone but as fast as the tears come down a smile comes to my face knowing you are at peace and no longer in pain... You were SUPER MOM you attended every single one of the activities Kailynn or Kymbree participated in, and if you couldn't be there you still were texting asking bout how they were doing. You even made time to come to cheer Madison on when she wrestled, that meant the world to us, I have heard soooo many wonderful stories. Kanah be proud of the girls you raised and know that they are just as caring, loving, and compationate just like their mama... You will always be in the hearts of me and my kids... We love you and you will be missed sooo much. Thank you sis for letting me vent and being my shoulder when we lost Jesse... Please give him a kiss from Aunt MiMi and there is no one more deserving of those beautiful angel wings... Fly high Kanah I will see you later no goodbyes ok...

I am so sorry for your loss. Kanah loved her girls more than anything and fought her illness for them and her family and friends. I taught Kailyn in first grade and Kymbree in first and third. It did not matter how sick Kanah got, she always made sure the girls had everything they needed and would call or text to stay informed. Kanah was my neighbor for many years, I had her as a room mother, but most of all I considered her to be a friend. She will be missed.

Kanah was a student of mine and will always be remembered for her kindness, playfulness, and love for everyone she knew. I'm so blessed that we stayed in touch and shared so much about her life and illness with me. She loved her girls more than anything and always tried to make them happy. So sad for her family, she'll be missed by all who knew her 🌹
