Eldon and I won't be able to attend the services but I wanted to send my sympathies and relate how much Doris meant to me. As I was growing up in the Opolis community, Doris was there. She always had a smile for me and anyone else she might encounter. Even after I was married and not going to church there any more, I would see her at the grocery store and we always stopped and had a little visit. I sure have missed her smiles. Praying peace and comfort for all her family. Kolette Van Dorn Bartley

I am so sorry for your family's loss, Doris was one of the sweetest and kindness people I have known. She always had a smile and always had time to visit.
