To the family of Mary Ann, I am so sorry for your loss, yet it makes me at ease knowing she is at peace and back with the love of her life. Your mom was very special to me and I have such fond and great memories of her. I can still hear her laugh and will cherish having known her through out the years. We used to have such fun times with the RCY group. She and I had many long talks and she reminded me so much of my own mother. I know the two of them are getting reacquainted and talking about their kids. Keep the memories close and she will always be near. My prayers and thoughts are with you all. Nancy Free
