I rode in Arnold's yellow impala convertible in the McCune Fall Festival parade, 1966 I think. I remember he was so proud of that car, and he always kept it so nice. R.I.P. Arnold

I bought my old "4 and 1" Chevy from his sale back in 1995. Later on when I seen him he let me know he liked the original green color it was better than the tan that I repainted it. In recent years we visited many times at R and J'S?
