Oh my goodness I just learned of camille's passing. She came into big lots and talked to me all the time. Words of encouragement was always passed between us. I loved her so. I am so very sorry. God bless her! She was an angel and I so missed her after I was let go from biglots when covid started.

Camille has been a client of mine since I began doing hair almost 5 years ago. I will always remember my first time meeting her in my chair, and the very last, and all the wonderful visits in between. She had one of the biggest hearts, and always remembered every little detail I shared with her! I always looked forward to her visits, and catching up. I will miss her dearly, and my condolences go out to her dear friends and family.
