Becky truly made me a better person this past year. I enjoyed our weekend chats, sharing stories about family, work and everything under the sun. She embodied grace and courage like no other as she put up a good fight. I was blessed to observe how Becky grew from a shy, stubborn, ornery girl (we were two peas in a pod) to a forgiving, loving, and caring woman. I miss you terribly and I will always love you, sis. I'll be sure to keep bugging Mark :)

Becky meant a lot to us that worked with us on a daily basis. She was more than just a co worker, she was oh so much more. She hugged us when we needed a hug and she would correct you gently if you need it. Everything she did was out of love. She was funny, ongrly, loving, caring, and compassionate. She had a gentle spirit and lit up where ever she was. I will truly miss her. I love Becky. She is hugging Jesus now, which we all know she wanted to do. She shared her faith, and we all saw Jesus in her. She was beyond special.

I am so sad to see this. Rebecca (I knew her as Becky) was my best friend in Jr high and high school. Her and Sandy will always be in my heart as my very best friends ever. Even though we lost touch after high school I have never forgotten her. She was a wonderful person ❤️

Becky was one of the nicest people i have met. She always had a smile & a good word about everything. She was a very hard worker in the housecleaning dept at the hospital. You could call her whenever that you needed help & she would come & get the job done. She willl be missed by all who knew her...

When I was a teenager, I was a bit of a rascal. Sometimes at church I felt out of place like I didn't belong, but Becky always made me feel welcome and comfortable. Many years later, I had the privilege of becoming her pastor. She was playful, funny, mischievous, and she always made me smile, Becky loved kids and had a natural gift when it come to teaching. I will miss you Becky, but I will see you again! I am so glad I had a chance to know you!

Becky was just so sweet. Always ready with a hug or a sweet word of encouragement. Whether on the job at church or meeting on the street she was always smiling "Happy Becky." We will see you again. I know you are so happy to be in his presence praising worshipping Him! Welcome come on in! 🙏🌟

I meant Becky at work. And we clicked it off real fast cuz she has such a beautiful smile and we had gardening in common. We traded flowers last year. I will always remember her through my beautiful flowers in my yard. Rest in peace and I too will see you again. 😊
