I was sorry to hear of Tim's passing. He spent a lot of time in my parent's home visiting with my brother, Barry. My family thought he was very special. Whenever I saw him he would update me on his children! I know he felt blessed to have his family - Patti, Emily and Josh with him during his last difficult days. My thoughts and prayers are with you all.

I am so saddened to hear this news. Tim & Patti were a huge part of my life when they lived in Manhattan. Remember the cook outs, racquetball and trips to Oktoberfest. Good times and great laughs. RIP my friend your time was too short. 🙏

When I first came to Chanute and worked with Tim at the hospital there, he was always so pleasant. It was easy to see what a good heart he had. I know there have been lots of miles since then, but I am pretty sure I saw the real Tim during those years, and he was special. I know he will be missed.

So many good memories of Tim, his parents and brothers. We were family friends in Stockton and our two families vacationed, skied together and rode snowmobiles. We visited in each other's homes. I remember the boys helping clean house so they could make out the menu for the following week. Loved that family including Tim. Sincerely, Connie Conyac
