I met Janet while working at the Pittsburg Public Library. I'm sure everybody will agree that she was fun, but what impressed me was how mellow she was. Very little seemed to bother her. Her former students would come in to see her and she remembered everybody. How nice to be able to have a good memory. Her Family meant everything to her. May Her Memory Be Eternal John & Helen Daley

Janet was my co-worker, and my friend. My favorite memory is when we went out to the cabin, and we went walking down the freshly mowed path. I looked down and I was covered in chiggars. Janet quickly grabbed hand sanitizer and covered me in it. We laughed so hard. Later at dinner, we realized it didn't help enough. We always had fun. Janet and Rod were two of the good ones. Love and Prayers to their family.
