Karen will be dearly missed by several people. She was a great woman and welcomed me into the family even tho I didn't get married right away she always made me apart of the family. She loved my kids very much. I will miss her random calls and long late night Facebook messages. Talking about anything and everything. She definitely was a fighter and we will miss her very much. My condolences are with the rest of the family at this time. 🙏

Oh we will miss you Karen! Always so spunky. Us girls sure had some great times together on our weekend getaways. ( Lots of laughs) I was reading a memory the other day, you was expressing that we would be friends for life! And I will keep you my friend in my thoughts for the rest of mine. My condolences to Bobby, friends and family. She will be truly missed.
