“ I am so sorry to hear of Tootsie's passing. Unfortunately I was away and could not attend the service. Tootsie and I shared the same name 'Alice' so the many years we worked together at the SRS Office we always felt we had a special connection. We had so many happy/fun times and she was the ball of the party!! She helped me through a rough time in my life and I've always been so thankful for her friendship. I loved her so much! Just thinking about her puts a smile on my face! She will be so missed by her family and friends. My thoughts and prayers are with you all. Thank you God for allowing us to have Tootsie in our lives!

“ I met Tootsie thru Shirley. Tootsie always pushed me to try things. I was afraid of horses and she was bound and determined to get me over that. She took me for rides to cherry creek and had me go down a hill. She was telling me, (Just let the horse do the work, he knows what he is doing). She loaned me her horse named Strawberry so I could get used to having a horse around. She had thought she was with colt but the vet told her she wasn't when the time passed for her to have it. I looked out one morning to check on Strawberry and thought I saw a big dog out there by her. I looked closer and to my surprise it was a baby colt. I called Tootsie and said Strawberry had a colt. Tootsie was at my house in no time plus half the country she had called. She was so excited. We spent the day admiring the colt and she took them home that evening. By the way, I'm still scared of horses! Love you Tootsie. Linda Crawford

“ I am so sorry to hear this. "Tootsie" was a longtime colleague of mine as employees of SRS in Parsons before I was transferred to Chanute. She was as well a great friend. This news greatly saddens me. She will be missed.
