

Rodney B. Dutton

February 19, 1950 - October 27, 2017

Rodney Browning Dutton of Pittsburg, KS died at his home on Friday, October 27th at the age of 67. Rod was born in Wichita, KS and moved with his wife to Pittsburg, KS in 1972 where he worked as an artist and commercial graphic designer. This work can still be seen throughout Pittsburg. His paintings and drawings have been displayed in numerous shows in the Four State area. His love for others turned Rod and Janet's place into a second home (and a second family) for many friends. Rod's love as a friend, father, and husband will continue to be felt by those fortunate enough to have known him.

He is survived by his wife, Janet; his sons, Eric and his wife Rebecca of Gainesville, FL, and Tim and his wife Jessica of Fort Worth, TX; three grandchildren, Eric's daughter Isabel and Tim and Jessica's sons Gordon and Oliver; and his sister, Guyla Bennett of Covington, WA. He was preceded in death by his parents, Roy and Hilda Dutton of Wichita, KS.

In lieu of flowers, donations may be made to Project Alternative through the Greenbush Education Service Center (620-704-4396). Checks may be made out to Greenbush. A donation will help others continue Rod's work teaching art to children with emotional and behavioral disabilities. Although he began this work in the last years of his life, he often said it was the most fulfilling work he had ever done. A celebration of his life will take place at 2:00 PM at the Frisco Event Center at 210 E 4th Street, Pittsburg, KS on Thursday, November 9th. All are welcome.
