“ I am so sorry that we have lost Anne. I always enjoyed waiting on her when she stopped by the bank. She was always full of life and so sweet and kind to all of us.

“ I knew Valeria since grade school at Spencer grade school. My thoughts and prayers are with her family. Valeria and I spent a lot of time together on the bus as well as having sleepovers. Haven't seen her for many years but thought of her often.

“ Thinking you during this time of sorrow. Valeria and I were childhood grade school friends we played together on our family's farms. Our parents spent many even at NeutrLuing together when we were little. I even cut her bangs one day, much to her mother's dismay. We shared first grade at Neutral School (a one room school), then on to Spencer School. While we haven't been in contact for many years, I have fond memories of our early years together. Sorry for your loss. Vivian (Bower) Jackson

“ Sending comforting prayers for the Bagby family on your loss of Valeria. I knew Valeria from my years on the farm east of Weir when her parents were neighbors to my grandparents. Then later as a classmate at Southeast High School. RIP Valeria. Your work here on Earth is completed. You are now reunited with Mike and your parents.
